

Recharge St. Cloud EV Expo

Saturday, July 9, 2022 | 10 AM - 2 PM

St. Cloud River's Edge Convention Center

Explore the world of electric vehicles!

Join the City of St. Cloud and Recharge Minnesota for an Electric Vehicle expo! Take an EV out for a spin, get hands-on experience with charging, and get a feel for how EVs can fit into YOUR life. Discover the current and near-future plans for public charging, and learn about local, state, and federal rebates!

Take control of home-grown robots! VEX MN Robotics and St. Cloud Technical Community College will have a robot demo that guests can try out!

For each test drive taken and completed event passport submitted, a \$40 donation will be made to VEX MN!

FREE & OPEN TO THE PUBLIC
