

# Recharge Northfield EV Expo and Test Drive

**Saturday, October 15, 2022 | 10 AM - 1 PM**

Northfield Middle School | 2200 Division Street South | Northfield, MN 55057

**FREE & OPEN  
TO THE PUBLIC**

## Explore the world of electric vehicles!

Join Northfield Shares, Northfield Rotary, the City of Northfield, and Recharge Minnesota for an Electric Vehicle expo!

Take an EV out for a spin, get hands-on experience with charging, and get a feel for how EVs can fit into YOUR life. Discover the current and near-future plans for public charging, and learn about local, state, and federal rebates!

Presented by:

Redwood Materials will be onsite accepting all lithium-ion batteries and any old rechargeable lithium devices and sustainably recycling them for free.

Help unlock a supporting gift to the Environmental Sustainability Fund held by Northfield Shares by attending the expo on Saturday Oct 15 and make your own contribution to the fund. For more information go to: [northfieldshares.org/managed-funds](https://northfieldshares.org/managed-funds)
